The toilet is for use by anyone who requires it. The Centre staff are happy for anyone to drop in and use the facilities but it would be useful if they could telephone in advance to advise them of their visit. The facilities do not fully meet the Changing Places specification – there are two large changing rooms but they do not have toilets in them. However, there are two accessible toilets located across the corridor. The facilities can be accessed via a level route from the main entrance. There is car parking on site. There is also a small café in the Centre. Visitors should report to reception on arrival.

The facilities (and Centre) are open as follows;

Monday to Friday	8am – 6pm
Saturday, Sunday and Public Holidays	Closed
